

## HSA PASSPORT POINTS

We are reaching that time of year again when points need to be added to the children's HSA Passport. Please remember the termly points are all added together to determine your child's **END OF YEAR** HSA Colours. These Colours are only awarded at the end of the **SUMMER TERM**. Only certificates will be handed out this term

Please complete the HSA passport **form**. These forms are to ensure we are made aware of any sport/sporting achievements that we may not know about.

Please complete if:

- Your child does **NOT** take part in a school sports club but does one out of school
- Your child **DOES** take part in a school sports club but has not taken part in any tournaments/events in school but **has** done some out of school
- Your child has reached DISTRICT/COUNTY level in any event

Points for all School Sports Clubs and events are automatically calculated for your child so we do not need to know about these!

Hard copies of the form are available in the school office.

**DEADLINE FOR RETURN: Friday 31<sup>st</sup> March please**

Please see below for information on how the points are calculated.
