Talking Topic

For the next week our topic will be 'Pirates'. In this topic we will be learning all about pirates, maps and treasure. In Maths, we will be looking at counting, recognising and ordering numbers. In Literacy, we will be reinforcing our work on phonics through sound games. We will also be looking at making maps, coin rubbings, making pirate boats and drawing/painting islands.

Helping at Home

- Encourage your child to look at maps and globes at home, discussing the different countries and oceans. Ask them to identify geographical features on their way to school. Encourage them to draw a map/chart of their route to school, labelling the features.
- Encourage children to make coin rubbings and begin counting the number of coins in a group (not the value).
