

SCHOOL TRAVEL PLAN UPDATE SPRING 2018

Cir
Staj

Working Together To Keep Our Community Safe

We held a fabulous family event on 22nd September where we launched Walktober. We had parents, grandparents, aunts, uncles and friends join us for a whole school Daily Mile, as well as Basil the Bird, Hampshire's mascot joining us to cheer on Team Hordle during our three laps of the school field. Michele, from Hampshire County Council also joined us and presented the school with our Modeshift STARS Bronze Award. Modeshift STARS is a national schools awards scheme, established to recognise schools that have demonstrated excellence in supporting cycling, walking and other forms of sustainable travel. Well done to everyone who took part.

We held our **BE BRIGHT BE SEEN** non-uniform day on 2nd November to raise awareness of the nights drawing in, and the weather getting duller and pedestrians and cyclists becoming more vulnerable, on their way to school or out at the weekends. The event highlighted to everyone, adults and children, the importance of using reflective and fluorescent clothing and gadgets in a fun and innovative way to make themselves much more visible to drivers and therefore safer on the road.

Website update

The School website has its own School Travel Plan page. Packed full of useful information, advice and links to other useful sites, it can be found on the Community Tab or by clicking this link:

<http://hordle.hants.sch.uk/community/school-travel-plan/>

Parking on Zig Zag lines

Unfortunately, there are still a few parents parking on the yellow zig zags in front of the school, despite the large banners in front of them. We would like to remind these select few that not only is this inconsiderate and selfish but it is also very dangerous for everyone else's children. If you see anyone pulled up on the zig zags (even with their hazard lights flashing!) you can take a photograph and email it to:

stphordleprimary@gmail.com

After being photographed 3 times the car details will be reported to the Police for further action. Sadly, the details of several cars have already been forwarded to the Police.

Your School Travel Plan Team are:

David Ironside, Susan Whitcher & Chris Halling –
Hordle Parish Council

Kirstie Green & Michele Spelman – Hampshire
County Council

PCSO Stuart Readhead – Hampshire Police

Ken Lane – School Crossing Patrol Officer

Shelia Slattery – Hordle CofE School

Gill Ewing- Teaching staff

Sarah Pitt – Governing Body

Zoe George – Parent

Pauline Savill - Grandhordle

On a more positive note, we would like to thank the vast majority of parents and carers who were considerate during the recent roadworks outside the school. It just shows that most of us do care about the community we live in and all of our children.

Junior Road Safety Officers Recruited

Following a recent whole school assembly, the current JRSO Team did a sterling job of asking for new volunteers to join their team. The response was overwhelming and the new team will be announced after half term. They will receive full training and then help deliver the safety initiatives planned for the spring and summer – watch this space for details!
