SAFEGUARDING—END OF DAY PROCEDURES

In order to keep our children safe at the end of the school day, please can we ask that parents of children who have permission to meet their adult off site, ensure their children know they must return to the school office if the designated adult they are meeting outside of school has not arrived to collect them.

We recently had children who became upset when their adult did not arrive at the agreed meeting point and continued to wait outside the school. The children need to know they **MUST** return to the school office should this ever happen, where they will be taken care of and contact made to establish who is collecting them.

WORSHIP THOUGHT OF THE WEEK

“Plant the good seeds of righteousness, and you will harvest a crop of love”

The Bible, Hosea 10:12

KIND DONATION

We are delighted to inform you that the New Milton Rotary Club have kindly donated high-vis jackets to all HEN, FS, Yr 1 and Yr 2 children to keep them safe as they walk to and from school. This is sadly as a result of a tragic accident before Christmas, when a young boy was involved in a fatal accident in Bournemouth. We'd like to thank New Milton Rotary Club for their kind gesture.

Whilst the community are working hard to keep your children safe, it seems some parents have a disregard for the rules of parking on the zig-zag lines outside school. These must be kept clear at all times - they are not a drop-off zone or a parking-zone.

If you park there, and are photographed - we will send your details to the police, who will write to notify you of the traffic/parking regulation rules that you have broken, and your details will be kept on record.

Please do not park on the zig-zag lines.
