

Explorers Nursery Note

Friday 9th March 2018

Our Learning Adventures

During the next two weeks, we will be exploring the topic "Farms".

The children will be getting mucky when learning all about pigs in the muddy pig sty as well as continuing to learn all about shapes by creating 2d shape tractors and farm buildings.

The children will have the opportunity to create stables from junk modelling materials and will be developing their fine motor skills by using tweezers to collect corn for the farmer.

Helping at Home

Maths – We will be focusing on sharing this week. We will be sharing food for the animals and sharing the animals between different pens. Why not try sharing at home so that 2 people have the same amount. Perhaps you try sharing pieces of fruit when preparing snack or sharing toys together.

Diary Dates

Monday 12th March – World Book Day
Optional Fancy Dress as a favourite book character or bring in your favourite story.

Thursday March 29th – Easter Bonnet Parade
(Children attending a Thursday session are invited to wear an Easter Bonnet. There will be prizes available to winners of 'The Best Bonnet')

Friday 30th March- Friday 13th April -
School and Nursery closed for Easter Holidays

Monday 16th April – School and Nursery
OPEN for Summer Term

Polite Request

If your child has borrowed a spare change of clothes from HEN, please return these as soon as possible. Our supplies are running a little low.
