### Aims of the Course:

Learn how to use glass and ceramic paints to produce painted items

### Learning Goals (by the end of the course you will be able to)

Use different paints  
Produce painted glass and ceramic items  
Identify ways painting can improve your well-being

On this course you will have the opportunity to try glass and ceramic painting in a fun, safe and friendly atmosphere. You will understand how this style of painting can improve your emotional wellbeing and you will leave the course with at least one completed item.

No experience necessary.

You will need to wear clothes that may become dirty and you may wish to bring with you an item to paint e.g. square vase, plain dinner plate

**Ceramic and Glass items will be available to purchase from the tutor at a small cost**

This Course could lead to:

Painting for Beginners  
Acrylics for Beginners  
Other Craft courses

*Attendance is expected at each session to ensure that you get the most out of your learning experience and to minimise disruption for other learners. Please advise the venue/tutor of any absence you may have.*
