20th April 2018

Dear Parent/Guardian,

All the Year 6 pupils have been working exceptionally hard this year and as part of their end of year assessments, they will be sitting their SATS tests in May. We see this week as an opportunity for the children to demonstrate everything they have learnt and it is a time when all Year 6 pupils can feel proud of their achievements.

We are delighted to offer an early morning breakfast for the Year 6 pupils the week beginning the **14th May** so they can arrive slightly earlier (**8.15am**), have something nutritious to eat and chat with their friends before they go to class. The children can choose either a bacon roll, sausage roll or vegetarian sausage roll and select either apple or orange juice, all for only **£1.70 each day**. This will be available from **Monday 14th May – Thursday 17th May. Payments to be made online via Scopay.**

In order for the kitchen staff to prepare the food, please complete the form using this link <https://goo.gl/forms/QY158I7JyAgqXNpb2> by **Friday 4th May**. If you would **not** like to sign up then please also state this on the form.

We would like to thank HC3S for offering this breakfast service.

Yours faithfully,

The Upper Junior Team
