

PATCH would like to take this opportunity to say THANK YOU to all of you for your support this academic year. The events we organise wouldn't be possible without your support.

This year's events have included Discos, Christmas Fair, Bag 2 School collections, Break the rules day, Onesie day, Ice Fridays, Special Person days, Christmas card designs, and the Summer Fair.

All these events combined have raised an amazing **£9,950!**

This has enabled us to purchase –

- Inside sound & lighting system **£2800**
- Contribution toward the Hide (observatory) **£3000**
 - Leavers Hoodies **£700**
 - Playground equipment **£1000**
 - Outside sound system **£3200**
- Class teachers £100 each to spend on their class = **£1300**

All these things are beneficial for all the children in Hordle school and wouldn't be possible without PATCH events.

BUT PATCH is seriously lacking members to organise and run these events!

We need your help!

We understand that everyone is busy but we desperately need additional volunteers to join PATCH – just a little of your time can make all the difference.

We need people in the following areas:

- To fully run events
- To assist with the preparations running up to events (either at home or in school)
 - To help on the day of the events.

PATCH is the WHOLE school's PTA group so please help us to enable it to continue!

There will be a PATCH meeting within the first few weeks of term, the date will be advertised on the newsletter and our Facebook page.

PLEASE come along and get involved, share your ideas and become part of the PATCH team!
