LEARNING REVIEWS

Learning Reviews this term will take place on Tuesday 30th October from **2.30-5.30pm** and Wednesday 14th November from **2.30-6pm**.

Learning Reviews are a great opportunity for you to look at some of your child's work and to let them share their learning with you. Consultations with your child's teacher last 10 minutes.

To book your appointment with your child/ren's class teacher/s please click [HERE](#)

If you are using Scopy on your mobile phone, when prompted please respond **No** when asked if you would like to go to the mobile site. For more information please click [HERE](#)

FOOTWEAR

Thank you to you all for ensuring that this year's footwear is much more in keeping with the school's policy of black / dark colours. The children do look much smarter.

However, there is an emerging fashion for 'alternative' laces. Particularly of note are 'camo' laces and very bright fluorescent laces on otherwise perfectly acceptable footwear.

May we please ask that laces are also black. These are very cheap to buy.

Thank you for keeping the exciting laces for home use only.

PE TRAINERS - WET WEATHER

We are conscious that, with the arrival of the wet weather, children with one pair of shoes for the school day and PE are suffering wet and muddy feet in class lessons.

Sport is an important part of our curriculum and, whilst we don't go out in torrential rain, we do take the children out when the ground is still wet and their feet will unavoidably become muddy and damp.

Whilst we will do our very best to ensure that your children are comfortable during the day - we would equally suggest that, just for these wetter months, if you have an old pair of trainers that you could send in in kit bags - your child may be more comfortable.

PGL LITTLE CANADA - MAY 2019

REMINDER to Y5 Parents

We are aware that at this point in the year, many of you have questions and would like more information about the trip. Therefore a meeting will be held on **Monday 15th October 2018 at 4.45pm** in the school hall. This will give parents and children a chance to hear more about the trip and ask any questions. We anticipate the meeting to take no longer than 30 minutes.

LOWER JUNIOR EXIT POINT

Wednesday 17th October , 2.30pm - 3.20pm

We are looking forward to seeing Lower Junior families at the 'Our Fragile Earth' exit point in the church hall. The children will be sharing with you various elements of their learning from throughout the topic.

Find out more details about the afternoon and how you may be able to help by clicking [here](#).

Thank you in advance for your support and we look forward to seeing you at our exit point.

WW1 CENTENARY POPPY PROJECT

Next week we will be starting to work on our project commemorating the 100th anniversary of WW1.

Our aim is to create a wonderful display of poppies by upcycling old plastic bottles. To help us to make this project a huge success please can we ask your child/children to bring in the **bottom of a clean plastic bottle** on the following dates.

EQUALITY SURVEY

As a school we are constantly striving to do our best for all pupils and to support their parents/ carers whenever possible. This includes our duty under the Equality Legislation.

To help us do better we are consulting with all our families in an effort to identify those pupils who belong to particular religious, cultural or ethnic groups and may, as a result, require further adaptation to enable them to enjoy full access to school life. This questionnaire is designed to help us review and improve our provision for children and their families.

THANK YOU TO WALHAMPTON SCHOOL

We would like say a BIG thank you to Wallhampton School for the Interactive Whiteboards and Projectors they have very kindly donated to us.

Due to their generosity, we have been able to replace old boards and projectors and put new equipment in areas that had none due to a lack of funds.

This will benefit the children enormously and we are extremely grateful.

RISE AND SHINE

We're pleased to announce that the technical issue that we had with Rise and Shine has been resolved and the show will go on as normal! Come and join us on Wednesday mornings at 8.40am by Badger decking.

PATCH NEEDS YOU!

What is PATCH?

PATCH is Hordle Primary School's Parent Teacher Association.

What does PATCH do?

PATCH helps to fund the 'fun stuff', which in turn benefits the school and students!
Recent PATCH money has funded the wonderful library, outside zip wire and the hall sound and lighting systems.

What will you have to do?

Please don't worry, you won't be given a massive event to organise! Every bit of time you can spare is greatly appreciated and will help enormously – PATCH cannot run efficiently without support. It could be in planning and preparation or on the day at one of the many annual events. Whatever you can do, no matter how big or small, will help Team PATCH!

What next?!....contact PATCH and get involved!

If you think you can help in any way, please contact us now!
