

PATCH – WE NEED YOU!

You might be asking yourself who or what is PATCH? PATCH is the name of Hordle School PTA and stands for **P**upils **A**nd **T**eachers in the **C**ommunity of **H**ordle.

Our priority is to give our children the best experiences and opportunities whilst at primary school...and this year we are fund raising to build an all-purpose daily mile track on the school field. ***It's a big challenge and we need your help!***

We're only a very small team and really do need lots of contribution from willing parents, friends, grandparents, uncles and aunties – if you think you can help we'd love you to join us at the first PATCH meeting of 2019.

When: Friday 25th January
Where: School staffroom
Time: 2.30pm

There are plenty of activities and fundraising days to get involved with this school year - no matter how big or small your commitment it would be great if you could come along. The more people, resources and contacts we have the easier the challenge and greater the success!

Pop the date in your diary and we look forward to seeing you there 😊

TEAM PATCH

PS If you can't make the meeting but would still like to help, please email patchcontact@yahoo.com
