Spring Term - Number 7  
Friday 1st March 2019

### HORDLE ROCKS!

We have had a wonderful response already on our **Hordle Rocks 160** Facebook page - if you hid a rock over half term please do send us your photos to share on our blog and post directly to our Facebook page.

We have already had visitors on Facebook sharing their rock finds and we can't wait to share these with the children during our assemblies. Some rocks have made it as far as New York, Iceland, Ireland and Wales over half term alone and we are really excited to see where else our rocks will be discovered.

Of course the rocks are also being hidden locally with some being found on Bournemouth beach and closer to home. Please do spread the word, like our Facebook page and post any photos of your child hiding or finding the rocks which are one of the many ways we are celebrating our 160th anniversary with our community, both far and wide.

To keep up to date with how far our rocks have reached, please check out the school [blog](#)!

### WORK ON SCHOOL SITE

The time has finally come to say farewell to the changing rooms at the end of the field. This building is very old and no longer fit for purpose and its demise is long overdue.

In preparation for the demolition a container will be arriving on Thursday 7th March and will be located adjacent to the Badger classroom. This will house the PE equipment.

We will update you further with details of protecting the site during and after demolition in due course.

### FS LEARNING REVIEWS

FS Learning Reviews for Ladybirds and Bumblebees will take place this term on Wednesday 27th March, 2.30pm - 5.30pm and Wednesday 3rd April, 2.30pm - 5.45pm

Learning Reviews are a great opportunity for you to look at some of your child's work and to let them share their learning with you. Consultations with your child's teacher last 10 minutes.

**To book your appointment with your child/ren's class teacher/s please click [HERE](#). Please ensure you book your appointment by Friday 15th March.**

If you are using Scopay on your mobile phone, when prompted please respond **No** when asked if you would like to go to the mobile site. For more information please click [HERE](#)

Please note, you will then receive a full written school report at the end of the Summer term, in line with the Early Years Foundation Stage Profile requirements, detailing your child's attainment against all Early Learning goals.

### CLASS PHOTOS

Class photos are taking place on **Tuesday 5th March**. Please ensure your child comes to school in full school uniform, looking smart and ready for their class photo.

If your child is a member of the school junior choir/band, they are invited to have their photo taken on this day also.

Therefore, if you would like your child to be included, please can they be in school at 8.35am promptly and meet Mrs Tubb at the Acorn Room.

Please can Band members (but not percussionists) bring their instruments with them.

## ADMINISTRATION OF MEDICINES - AMENDED POLICY

The school office administers non prescription medicines at 11.45am in school during the day and upon completion of a medical consent form. This includes paracetamol (Calpol), Chlorphenamine (Piriton), Ibuprofen and cough medicine. If you know that your child will require non prescription medication on any given day, please ensure that you provide it to the school office and ensure that the morning dose is given before 7.45am to enable us to administer again at 11.45am. The school will not administer paracetamol (Calpol) and Ibuprofen medication beyond 3 consecutive days as per the manufacturer's guidelines.

If your child requires prescription medication during the school day, this will be administered as per the doctor's instructions and upon completion of a medical consent form.

**Please do not give your child their own medicine, even if you believe them capable of self-administering. The consequences of drugs falling into the hands of other children is not a risk we are prepared to take.**

## WORLD BOOK DAY

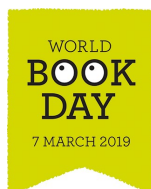

### Friday 8th March

World Book Day is coming to Hordle on Friday 8th March! This year our focus is going to be **NON-FICTION**.

On this day, we would love to see the children come to school dressed as something from a **factual book**.

This could be: a person, an animal, a building or even an object. Will we see your child dressed as Queen Elizabeth, the Eiffel Tower, a plane or maybe even a caterpillar?

The kitchen are also busy planning a special sweet treat for those children who will be having a school lunch that day!

We really look forward to seeing all your costumes!

## E-SAFETY NOTICE - IMPORTANT

It has been brought to our attention that there are possible e-safety implications for your child if they are using the TikTok app. As this app has an age rating of 13, we do not expect children to be accessing it.

However, for those of you with older children, please click [here](#) for a very useful guide that details how to lock down an account so strangers cannot interact with your child.

We are also aware that the 'Momo Challenge' has been widely covered in recent weeks in the news and social media. Please click here [for](#) advice on how to keep your children safe.
