Dear Parents/Carers,

RE: Match Funding

You will hopefully be aware of the fantastic work your PATCH team (Parents and Teachers in the Community of Hordle) are doing to raise funds for our school. Our current fundraising aim is to provide our pupils with an all-weather daily mile track. We wanted to take this opportunity to remind you about the match funding scheme and how a little bit of your time could help to double the funds that we raise for our school.

If you work for an organisation that has a match funding policy, any money we raise could be matched by your employer. Companies may match the fundraising total for an event, or chose to match the funds of the stall that their employee is working on at a fair. We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, however if you work for an independent company, they may also be interested in charitable giving through match funding too.

We would be very grateful if you could see if your employer has a match funding scheme, or if they are willing to match fund any of our events. If you can't help out this time but you know the company you work for has a match funding policy, please let us know. This could really make a large impact on our PATCH teams funds and help raise money towards our daily mile track.

If you are able to help in this way, please let us know and we can discuss your company's requirements.

Below you will find a list of companies (this list is by no means definitive) that are known to have match funding schemes.

Thank you for your support.

Kind Regards,

Team PATCH
