

# Key Stage 1

# Summer Term

Tuesday 23<sup>rd</sup> April to Friday 19<sup>th</sup> July

## Topic – Spectacular Space

For the Summer Term, our new topic will be 'Spectacular Space'. This is a great topic for learning all about planet Earth and beyond.

Over the course of this topic, we will be learning about the following:

- Famous people linked to space exploration
- The Solar System and the planets
- Using maps and digital photographs to view things from space
- The International Space Station and life on board
- The moon and how it is different to Earth
- Travelling into space and famous space vehicles

### Parent Workshops

Thank you to everyone who has attended parent workshops this year, We will be running additional ones during the second half of the Summer Term. If there is a particular workshop you would like us to run, please complete this link:

<https://forms.gle/h35nbnv1FBJTiaKJ8>

### Thank you

Thank you to everyone, so far this year, who has given up their own time to come in and hear readers. If you are interested in hearing readers, please complete a Hordle Volunteer Application Pack and, once the paperwork is complete, we will invite you in.
