

Friday 10th May 2019

Dear Parent/Guardian,

Sex and Relationships Education

Next half term, children in the Upper Juniors will be learning about the stages of the human life cycle, changes to the body during puberty, how babies are made and what makes a good relationship.

This area of the curriculum has been carefully planned to ensure that children are accurately informed and prepared for the changes that they will experience in the near future.

Teaching and learning activities will include whole class and group discussion, watching video material specifically designed for teaching children about Sex and Relationships and opportunities to ask any questions they may have.

Should you wish to view the video materials prior to your children seeing them they will be available at 3:40 p.m. in Wilverley Classroom on Monday 20th May 2019. A children's DVD will be shown in Hawkhill with adult supervision for pupils/younger children.

If you wish to opt your child out of Sex and Relationships Education please state on the following <https://forms.gle/Ybk9pfvvVvTs1Fi68> by Friday 24th May 2019.

If you have any questions please do not hesitate to contact your child's class teacher.

Kind regards,

Hordle CE (VA) Primary School & Nursery, Hordle Lane, Hordle, Lymington SO41 0FB
