

That they may have life; life in all its fullness - John 10:10

Hordle CE (VA) Primary School

OUR CHRISTIAN VALUES

At Team Hordle we educate our children to go out into the world as functional and fulfilled adults - ready to make a difference and live life well in a changing and uncertain world - living life in all its fullness.

This document is the TEAM HORDLE interpretation of the Church of England Vision for Education.

“Lord, make me an instrument of thy peace.
Where there is hatred, let me sow love,
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

O Divine Master, grant that I may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved, as to love.

For it is in giving that we receive,
It is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.”

— **St. Francis of Assisi**

TEAMSHIP - COMMUNITY

“So encourage one another and build each other up” Thessalonians 5:10

"Alone we can do so little, together we can do so much." --Helen Keller

I can do things you cannot. You can do things I cannot. Together we can do great things. -
Mother Theresa

ADULT DEFINITION	PUPIL DEFINITION
<p>We are TEAM HORDLE - proud to be a part of a Global Church Family. Together we are greater than the sum of our parts. We are members of many teams including: the school, the church and the community in which we live, play and grow. Together, we will learn to be leaders and followers, we will learn tolerance and love and how to get along with one another. We will learn to COMMUNICATE; to agree and disagree respectfully and contribute to the wider good both 'with and for' others. We will learn about democracy and law and will learn that together we can be powerful, following in Jesus's example by tackling human injustice with courage and becoming fierce custodians of our fragile planet.</p>	<p>Being part of Team Hordle means that you will never be forgotten, never left behind and you will always be loved. God welcomes us with open arms and we welcome everyone to our team - we love people who are different from us and help them to be a part of our family. We are part of a global church community and we are connected to God. Hordle is a Team that is full of God's power. We are a Christian school and we give each other hope and courage. We know that God is in all of us and we pray for each other; God hears us and he understands. He helps us to make the world a better place. It gives us a lovely feeling knowing that we are part of a small church school and yet we are connected to the world through God's love.</p>

ADULT DEFINITION	PUPIL DEFINITION
<p>Learning at Team Hordle, through our unique CURRICULUM is an exciting and extraordinary journey. We are ‘powerfully and wonderfully made’ and together we embark on an extraordinary journey to explore and uncover our God-given gifts and talents - seeking guidance through prayer and reflection. We are all ‘CLEVER’ at Hordle and, founded in academic habits and skills, emotional intelligence and creativity we will learn to make wise choices which keep us and others safe, practising the skills of being a GLOBAL citizen of the future. Each and every one of us will understand how we are special and will aim for the highest standards. By exploring our ENQUIRING MINDS we hope that we will find fulfilment in LIFELONG LEARNING.</p>	<p>Team Hordle’s Superheroes are the important skills we need to improve in our learning. They will help us all the way through our lives – even the grown ups at school use them. At Team Hordle we know that we are all clever in our own way and nobody can be great at everything! Being wise means we learning to make the right decisions – but, as Jesus taught us, we know that you can make a mistake and you can always start again. At Team Hordle we work hard to improve at the things we enjoy as well as those that we find more challenging. At Team Hordle we love a celebration! We always aim for our Personal Best and celebrate our achievements by proudly wearing our colours on our sleeves. We also learn to understand what people are thinking and feeling, even when they don’t use words. We are pleased for others when their achievements are celebrated too.</p>

ASPIRATION - HOPE

“For I know the plans I have for you” Jeremiah 29:11

“You can’t go back and change the beginning, but you can start where you are and change the ending.” C S Lewis.

ADULT DEFINITION	PUPIL DEFINITION
<p>At Team Hordle we aspire to be the best that we can be - we are superheroes! We challenge ourselves, not to be better than others, but to be better than we were yesterday - seeking to be our PERSONAL BEST; being the “powerful and wonderful” person we were destined to become on the path that He intended. We open our children to a world of possibilities that await them. We learn the mindset skills of RESILIENCE, RESPONSIBILITY, RISK TAKERS, TEAMSHIP, MOTIVATION and the importance of our SENSE OF HUMOUR. We learn to believe in ourselves, in others and relish in the use of our God-given gifts to shape our journey to adulthood.</p>	<p>Aspiration is about working hard to be the best person that God wants us to be, at all times, and we learn from our mistakes when we don't get things right first time. At Team Hordle we learn to have courage to face new challenges and opportunities as we grow and learn. We learn how to live and love through Jesus' example and the stories that we share from the Bible. At Hordle we aspire to be able to do good things. We learn to look into the future and believe that we can help to make it good. At Team Hordle we see beyond people's looks, we look for each other's potential and always assuming the best of people. Team Hordle teaches us that each day is a fresh start and an opportunity to learn new things about ourselves, other people and the world we live in.</p>

ADULT DEFINITION	PUPIL DEFINITION
<p>At Team Hordle, we celebrate and delight in each other; that each of us is special. We will learn the courage to be ourselves; understanding who we are and with a sense of pride in our God-given gifts and what makes us, and others, unique. We will learn about our role in this world and be empowered to play our part in it. We will understand that we have rights that are enshrined in law and are tolerant, respectful and gentle with others; living out the Fruits of His Spirit each day. We respect our minds and our bodies and will learn to live our lives in a way which allows all God’s children to shine.</p>	<p>At Hordle, you will always be loved for who you are. At this school we accept each other’s identity - we are all unique and it is brilliant to be yourself. God loves us - no matter what - he loves us all the same. He is proud of us and, at Team Hordle, we never need to be afraid to be ourselves. God does not judge us on the outside and we should do the same. We are all treated equally here. Being part of our church school is special - the FIT curriculum allows us to think about the person we aspire to be. A feeling of wonder encourages us to reach for the highest opportunities. No matter who you are; you will always be loved in Hordle’s heart.</p>
