Summer Term - Number 37
Friday 16th July 2021

MEET THE TEACHER

Although we sadly cannot go ahead with our in school arrangements we do have a special way to meet your new teachers for next year.

You will all be receiving a letter on **Monday 19th July** via email which will contain a meet the team presentation for your new phase, in readiness for a Virtual Meet the Teacher. Event which will be taking place on **Wednesday 21st July** at the below times:

New Key Stage 1 (Y1/2)	10am
New Lower Junior (Y3/4)	10.30
New Upper Junior (Y5/6)	11am

Please ensure your child is free to join at that point and please make sure there are no adults in view.

We are all very excited to be telling you who your teacher will be for the next part of your Hordle journey.

COLLECTING BELONGINGS

With the short notice of the school closing we have had some queries about collecting belongings before the summer holidays.

We can confirm that any items that need to be collected will be available to pick up on **Monday 19th July**.

These will be placed at the front of the school by the main front gates.

If any items can wait to be collected in September please avoid coming to the school to help with social distancing.

Anything named and not collected will be taken to your child's new class for September.

THANK YOU

SELF ISOLATING

Please can we remind all parents that if your child has been told to self isolate due to a positive case we must all do our part to abide by these rules.

Nobody wants the spread of Covid-19 so please lets all do our part to help our community.

Everyone is due a well deserved holiday.

POSITIVE COVID TEST RESULTS

If your child tests positive for Covid19 up to and including **Saturday 17th July** please inform the school via email: adminoffice@hordle.hants.sch.uk. You are not required to advise us after this time.

Lost Property

Lost property will be left outside the school gates on **Monday 19th July** ready for collection.

ROUTE GUARD APP

As our Y6's make the journey to secondary school we thought parents may like to look at **Route-Guard** pairs an app on your phone with an app on your child's device that allows you to select a series of safe zones or roads to be added to their profile.

We have registered as a school and have a school code - **806-5206-FB**. If you are interested in this, please download for a one off payment of £2.99. For more information please follow the link [here](#).

LIBRARY BOOKS

Please return any library books you have at home to the front of the school where there will be a box provided to place them in.

TEAM PATCH

SPONSORED OBSTACLE COURSE

What a great event this was to all enjoy together. Thank you once again to Team PATCH and Coach Dobson for organising and running such fun events for all the children. We know they were all very proud of their laps and certificates! Well done team!

If you would like to drop in any sponsor money into the black box at the front of the school it will be collected.

Thank you

ECO GREEN FLAG

We are absolutely thrilled to inform you that Team Hordle has been awarded the Eco School's **GREEN FLAG** award in recognition of the school's environmental action and education in creating a greener, cleaner planet.

As this end of term has been somewhat disrupted - we are delaying our celebrations until next term when we will be having an eco themed week with a **GO GREEN** day on **Friday 10th September**.

On this day we ask that:

- families who travel by car - park just a little further away from the school and enjoy a walk in the fresh air and reduce your carbon emissions by travelling less far in the car
- come to school in an outfit that represents our TEAM HORDLE ECO VALUES:

- H** - Help make our world a better place
- O** - Only use what we need
- R** - Reduce our energy use
- D** - Defend our wildlife from harm
- L** - Look after our minds and bodies
- E** - Encourage others to do the same!

This could be anything from wearing something green or being a human billboard with an eco message!

Well done Team Hordle!

IMPORTANT DATES

New dates are in **Bold**
