Dear Parent/Guardian,

## School Travel Plan

While I am grateful that the majority of our parents park legally and considerately around the school, it saddens me that there are a minority who continue to park irresponsibly and in some cases risk a road traffic offence which could result in penalty points being issued. Parents regularly report near misses and I fear it is simply a matter of time before a member of Team Hordle gets hurt.

A number of parents have spoken to me and say the behaviours of the minority can no longer be tolerated and ask what the school community can do to improve road safety. As a result, I am delighted to tell you that parents have set up a working party to write a new School Travel Plan.

The School Travel Plan team is:

Ellie Bolton, School Travel Plan Adviser, Strategic Transport, Hampshire County Council

Mrs Booth and Mrs Ewing – parents

Mrs Pitt – Parent Governor

Mr Ken – School Crossing Patrol

PCSO Stuart Readhead

Mrs Slattery – School Business Manager

Junior Health & Safety Team

Junior Road Safety Officers

The team would love to recruit some neighbours, if you know someone who might be interested in joining the team, please let Mrs Slattery in the office know.

The School Travel Plan campaign will be launched with an assembly for the children on Tuesday 9<sup>th</sup> February. This will be followed on Wednesday 10<sup>th</sup> February 2.30pm by an information and discussion session for parents and guardians who are interested in learning what initiatives are being planned by the School Travel Plan team. It is really important to the team to hear your concerns and suggestions.

The School Travel Plan team cannot improve road safety without commitment from the whole Team Hordle community – so please support them in any way you can.

Yours sincerely,

**Fiona K. Adams**
