

SCHOOL TRAVEL PLAN UPDATE JULY 2016

Circulated to School & Nursery Parents/Carers, School Governors, School Staff, Neighbours, Hordle Parish Council (HPC), Hampshire County Council (HCC), Hampshire Police & NFDC

IMPORTANT INFORMATION

We've reached the end of our current STP review which has been a success in the main. Improvements have been made on a number of levels as you are aware from previous communications. We would like to thank parents, carers and children for all your help. We look forward to your continued support as we stride into the new academic year; leading by example, keeping pedestrian safety in mind, giving the respect our neighbours deserve by driving and parking legally and considerately. In doing so, our standards will become the norm for newcomers to our School and Nursery. **A Big Thank You From The School Travel Plan Team**

NEWS CORNER:

- Highways/Pavement improvements** - Councillors at Hordle Parish Council met early June and have made direct representation to Hampshire CC, Highways with regards the most pressing issues as suggested by the STP team (inc the extension of road markings in Hordle Lane and the pending improvements to the virtual pavement in Woodcock Lane). This will be followed up by Parent Governors in September 2016.
- July 2016 onwards – Governors Sarah Pitt & Gill Ewing will be taking the STP forward.**
- Parkwise Slogan Banner** - Well done to Megan Raine in Foundation for her winning Parkwise Slogan ...
- 3 Separate STP Assemblies** - the children have been congratulated for the significant rise in numbers of those now walking to school and for sharing the positive benefits of walking with others.
- Overhanging Greenery** – thank you so much to residents who have trimmed back greenery overhanging the pavement (Everton Rd) which has made things safer/improved line of sight.
- Hi Vis jackets** - are ready to go for September for HENS and Foundation Stage children.
- Church Car Park** (Woodcock/Everton Rd) remains available for staff and parents to use.
- Parking checks** NFDC & the Police will continue to monitor school parking regularly going forward.
- Driveway sharing scheme** - on hold due to lack of offers of driveways/changes to HCC survey.
- Dudley Avenue** car park is now open and makes an ideal park and stride site for those travelling in from out of catchment. Why not have a trial run over the summer holidays.
- New families** joining Team Hordle will to be issued with STP/Parkwise Promise information.
- Inconsiderate Parking Incidents** – please continue to report these to stphordleprimary@gmail.com .

The review was a team effort and we couldn't have carried it out without the valuable help from the below named, who collectively brought much knowledge, ideas and help to the table over the last 7 months: Ellie Bolton (HCC), Stuart Readhead (PCSO Police), Ken Lane (Crossing Patrol Officer), the School Governing Body, Hordle Parish Council, David Ironside, Susan Witcher and other local Councillors, our Neighbours, NFDC and the Support Staff at School. Thank you all for your valuable input.

Claire Booth & Gill Ewing

Neighbour and Parent Feedback

Thank you to those who have given us positive feedback on various elements of the review including:

"The new hardstanding by Mr Ken makes approaching school much easier"

"My driveway has stopped being blocked"

"We really like the new POLITE sign outside the school".
