

Sports Premium Allocation 2014-15

Hordle Primary School are absolutely thrilled to have been awarded the 'London 2012 Legacy Award' at the Hampshire and Isle of Wight 2015 Sports Award ceremony!

In light of the government's Sports Premium allocation, Hordle Primary School proudly founded the Hordle Sports Academy (HSA) in 2013. Please see below for a full breakdown for the aims, achievements and impact of the HSA in the year of 2014-15, along with a breakdown in how the money has been spent.

How much money did we get?

During the academic year of 2014/15, the HSA spent the Government funded Sports Premium (£9,605) on the following initiatives in order to enhance the already excellent sporting provision at our school:

What?	Why?	Cost?
Continued membership with Testwood Sports College	Access to a wide range of external competitions in a variety of different sports Access to staff CPD opportunities	£3640
HSA Team	Co-ordination, logistics and growth of HSA activities	£4112
Sequencing Sports	To support the teaching of indoor PE, particularly in light of the new Real PE scheme	£60
Awards and rewards	To ensure that the profile of sport continues to be high across the school and that children's achievements are celebrated	£583
Football goal posts	To support delivery of football lessons, along with ensuring that we have the required size goals for tournaments and matches	£173
Cone markers	An essential piece of equipment required in a high percentage of PE lessons	£13
Field markings	Ensure that the field is appropriately marked for PE lessons and the annual Sports Day	£500

How did we do it?

Aims of HSA	How the money was spent	Impact
<p><i>To increase participation in after school sport</i></p>	<ul style="list-style-type: none"> - Fundamentally, the HSA aims for every child to take part in at least one additional hour of sporting activity per week. - A passport system has been set up as a way of tracking the amount of competitive sports every child takes part in out of school. Children are able to achieve bronze, silver and gold awards based on the amount of extracurricular sport they participate in - We have targeted Pupil Premium (PP) children through the use of vouchers offered for club 'taster sessions', along with analysing passport data for those PP children not participating in any additional sport - Many 'Hordle Hub' sporting clubs offered every day - External partnerships set up with the New Forest Sports, along with additional external partnerships such as fencing and cheerleading organisations, all of whom run sporting clubs at Hordle - Appointment of a Hordle Hub co-ordinator who is responsible for drawing up match schedules and improving the range of sporting provision in Hordle Hub 	<ul style="list-style-type: none"> - 85% of children now taking part in external sport - Ability to monitor and target those non-participant children - Over 95% of PP children taking part in extra-curricular sporting activity - Now 25 sporting clubs offered through the Hordle Hub – that's 18 more than our local leisure centre! - 22% increase in pupils participating in school-run after school sport. 61% of school population (72% girls target group) - 41% increase in the numbers of after school sport places due to children taking up more than one sport - FSM pupils given free vouchers to participate in after school clubs – Participation rates for FSM have more than doubled; 30% increase in pupil premium - Sporting club non-participant list maintained (prioritising those at risk of obesity) and such children are provided with free-taster vouchers to encourage them

<p><i>Increase participation in competitive sport</i></p>	<p>Internal</p> <ul style="list-style-type: none"> - 6 whole school virtual competitions now set up to ensure that every child participates - Virtual competition co-ordinator appointed to support this <p>External</p> <ul style="list-style-type: none"> - We have joined the New Forest Sport School Partnership (NFSSP) set up to ensure that sports teams are able to compete in weekly fixtures and competitions 	<p>100% of children participating in competitive sport!</p> <ul style="list-style-type: none"> - Hordle sports teams competing in a large range of sport weekly fixtures against other teams - External sports teams increased from 4 in 2012/13 in 2 sports; 24 in 2013/14 in 10 different sports; and we have forecasted 33 in 1415 in 11 different sports! - Children of all ages (Year 1 – Year 6) have been given the opportunity to represent the school - School widely recognised locally as centre of excellence for teaching of netball – we were Hampshire Games County Champions in 2014 - Pupils are active participants in furthering the HSA, for example Rise and Shine – an early morning fitness dance work-out for the whole family run by pupil dance leaders
<p><i>To develop staff expertise</i></p>	<ul style="list-style-type: none"> - Through our partnership with the NFSSP, all members of teaching staff have been on at least one PE CPD course this year - Across each phase team (FS, KS1, Lower Juniors and Upper Juniors) each team has had a representative on a Real PE, Gym and Dance course 	<ul style="list-style-type: none"> - Curriculum monitoring has shown that PE teaching is consistently good and often better and all staff now report they have the confidence and skills to teach the curriculum. Talent spotting programmes within curriculum time enable HSA team to groom and inspire new talent

		<p>- Please see the results of this staff survey: https://www.surveymonkey.net/results/SM-MWR95JN7/</p>
<p><i>To train and develop Sports Ambassadors</i></p>	<ul style="list-style-type: none"> - Children have applied for the role of a Hordle Sports Ambassador - Once selected, the role of the ambassadors include: supporting lunchtime clubs, collecting Sporting Hero Points, keeping the HSA blog up to date, undertaking child surveys, supporting teaching lower down the school, helping with Sports Day and the annual Quicksticks tournament, helping with Virtual Competitions and supporting HSA assemblies and taking pictures of sporting events - HSA Passport Co-ordinator appointed to train children and organise this 	<p><i>"I love being a sports ambassador because I like encouraging others to do more and helping put equipment away. I enjoy being a HSA ambassador because I get to help people do their job and encourage them. I have helped other to try more things here at Hordle and I am excited to see what other clubs they introduce here at Hordle."</i> Joshua J – Year 3</p> <p><i>"I applied to be a sports ambassador because I really enjoy the sports at Hordle. I like how I can help out with the sports in the school. I felt really happy when I got awarded my sports ambassador colours and it's the sport here that helped me get them."</i> Harry S – Year 2</p> <p><i>"I love being able to support my teachers and help the younger children during lessons. I feel so proud to be a HSA ambassador and feel like a really important part of such a great team."</i> Katie N – Year 5</p> <p><i>"As part of my role as a Sports Ambassador, I have been working on creating the new HSA video for an assembly. Even though I have missed my lunchtimes, I have been dedicated and have had to show</i></p>

		<p><i>motivation when things went wrong. I have been working on this film for over 3 months now and I can really see it coming into shape but and I am so thankful to the HSA for giving me such an exciting opportunity!"</i> Joseph W – Year 6</p> <p><i>"Part of my role is to count Sporting Hero points in Key Stage One – I get so excited to see which team has won each week!" –</i> Hannah A, Year 2</p>
<p>General</p>	<ul style="list-style-type: none"> - We have invested heavily in kit this year and now have sports clothing, both for lessons and competitive fixtures/competitions that the children and staff can take great pride in. This was done with consultation of parents - Vouchers offered for PP children for free sports kit - A great range of equipment has been bought, including new balls, hoops, bags and basketball hoops 	<ul style="list-style-type: none"> - Every class now has the own PE kit box – meaning that even if a child does not have their kit they are still able to take part in PE - PE clothing has been completely revolutionised – children (and staff) now even have their initials on their kit! - New equipment has meant even more clubs; the new basketball club has been very popular! - Staff report that spare PE kit systems significantly impacted on participation in curriculum PE - now consistently 100% participation

What do the children think?

"I enjoy the HSA videos and HSA assembly's because they are different than any other assembly. You get to see inspiring sports being demonstrated in the assembly's and get to see the new exciting equipment donated/raised money for!" Kate P, Francesca C and Eve C – Year 6

"I enjoy representing the school in tournaments/matches and I feel proud when I put on the Hordle kit because the HSA has inspired me to do more sport than before." Leo B – Year 2

"I enjoy the clubs that I participate in and the HSA has encouraged me to do more clubs. Also, I like watching the videos in HSA assemblies and enjoy looking at all the other children achievements in sport"! Amelie W – Year 1

"I have been at Hordle for about a month now and I really enjoy the sport that they do here. There are more to participate in than my old school so it's giving me a change in my life and inspiring me to try more sports. I enjoyed representing Hordle for the first time in the Year 3 and 4 tag rugby tournament and can't wait to represent Hordle in more sports!" Connor T –Year 4

"Since the launch of HSA sport at Hordle has progressed beyond all expectations and the fact is we now have far more people playing sport than people that do not, which is great!" Mrs Phillips – Sports Coach"

"I enjoy the clubs here at Hordle because they're really fun and I have inspired some of my friends to join the clubs with me too." Teigan W – Year 3

"I feel I have progressed since HSA was launched because the teachers are inspiring and try to get you involved in sports and teach you really well." Sophie G – Year 5

After school and during school clubs have taught me new skills and I have developed them with help from my Coaches and friends. Others have told me about clubs and I have given them a go and really enjoyed them! Erin T – year 2

"I am really proud to be a part of team Hordle not only because it's a fantastic school but because of the amazing sports here! The amount of sport that has been happening all over the school is incredible! I do lots of sport here and its some of the fantastic coaching that has got me so passionate about sport. I have participated in lots of competitions over the years and have become a sports ambassador, netball captain and much more since and before our HSA!" Katie W – Year 6

"The sport here has a variety of clubs which is good because if you are not into one club you can try/choose another. My netball has really progressed lots since the HSA was launched and really enjoy the sport here." Jessica J – Year 5

"I have achieved lots this year including cross country which I worked really hard in. I enjoy lots of the sport here at Hordle and can't wait to see if they bring out any new clubs/sports and cannot wait for the next HSA assembly!"
Bethany T – Year 6

"It felt amazing when I achieved my silver and gold HSA colours because I worked really hard to get them. After months of playing sport and improving, I feel like I have mastered new skills and want to try more!" Kyle B – Year 6

The Sports Ambassadors have also put together a HSA survey for a huge sample of children of all ages to complete. Please see the results here: <https://www.surveymonkey.com/results/SM-JDKWTPCV/>

HSA Blog

You can also keep up to date with match and tournament reports on our HSA Blog. This blog is ran by our Sports Ambassadors and endeavours to detail all sporting activity within the school, from the children's perspective. To view the blog, click on this link: <http://hordle.schoolblogger.co.uk/category/hordle-sports-academy/>

What are your future plans?

- In light of the fact that the funding will be continued into next year, we are committed to continuing the growth of the HSA and promote healthy living throughout the school.
- Specifically, we aim to develop internal coaching capacity through Level 2 Qualification training next year.
- We were awarded the Sports Mark Silver in Autumn 2014 and expect to attain Gold in 2015
- As mentioned, Hordle Primary School were awarded the 'London 2012 Legacy Award' at the 2015 Hampshire and Isle of Wight Sports Awards ceremony and are passionate about continuing such a wonderful legacy
