

# Hordle Primary School's Morning Tuck Shop!

## Run by the School Council

The School Council run a Tuck Shop! This will be available at morning playtime and will be available just to the Juniors as Infants and Foundation Stage children already have a fruit snack in the mornings. Members of our School Council will be behind the counter serving the children a selection of healthy snacks. It will be situated on the playground in dry weather and in the hall if wet.

There are some simple procedures that we ask the children and the parents to follow to ensure that this process runs smoothly.

- Please send your child to school with the **CORRECT** money – this means that the children serving the snacks will not have to worry about change and as many children as possible can be served in the short play time.
- Money must be bought to school in your personal money bag which is clearly labelled with your child's name, class and the amount enclosed.
- The children **MUST** take their money straight to their teacher who will look after it until playtime.
- A maximum of three items can be bought in one day.
- Children must purchase different snack items and not two/three of the same thing.

Children must not buy snacks for friends.

## MENU

Selection of Fresh Fruit	30p
Fruit Bread	35p
Freshly Baked Bread Roll	30p
Milk Carton (Plain or Chocolate) (150ml)	50p
Delmonte Fruit Juice Carton (150ml)	35p
