

### Spring 2019

We had very few responses to our Parent Forum survey this term with only one parent attending the forum on the day. This is a disappointing response resulting in only a few areas for conversation.

We try to engage with our whole school community on a regular basis so please do get in touch via the below survey with any areas for discussion at future forums.

[Parent Forum](#)

<b>You said...</b>	<b>So we...</b>
You would like Yoga Bugs Hordle Hub club to return	We will endeavour to provide staff to be able to run this club again as we agree that it is a wonderful club for both physical and mental well being
You asked if we would consider offering cardigans as an option with the new logo	After speaking to the parent who attended the forum, it was agreed that it is financially sensible to only offer jumpers as siblings can share. The team also explained that it is a smarter look as cardigans tend to slip off/misshapen. Staff in younger classes will also save lots of time not having to do buttons up!
You asked if we can provide new badges for new school uniform	Unfortunately we are unable to provide replacement badges due to budgets but the current badges are good quality and can be cut off old uniform and sewn onto the new style. Replacement badges can be purchased should they be required.  With the new uniform, parents will also have the option to purchase initialling for up to 3 initials on jumpers, PE tops, PE Skorts/Shorts and Hoodies and we hope this will reduce the loss of items
You asked if we had made a conscious decision to reduce school trips	This refers to last years' YR trip – up until 2017 the YR trip was to Longdown and last year the decision was made to look into new places to visit as it was deemed likely that the majority of YR children would have already visited Longdown. Unfortunately, our proposed trip to the RNLI did not come to fruition so we are in the process of exploring new trips for YR. Our commitment to educational visits remains strong and we continue to seek annual trips for all year groups in order to enrich and enhance learning.

If we could consider different formats for class/team photos

We have looked into other options for photography as a whole, in particular for our class and sports team photos to make them more modern. One option was to change the class team photo to a longer photo, with a more modern, contemporary feel. The parent who attended the forum commented that the long photos would be undesirable in the long term as they would be hard to keep, and more costly to frame. The parent felt that the standard 10 x 8 shape is preferable as it gives parents better options for storage and retention for the longer term
