A fantastic opportunity has opened at Hordle Primary for an Early Years Apprentice to join our fun and energetic Early Years team to study for your Level 2 NVQ in Early Years Education. You will become part of the highly popular Hordle CE (VA) Primary School team, committed to creating a loving, happy and stimulating environment for every child.

Our Early Years provision has one main aim; to provide a safe and secure 'home from home' for each child where they can develop emotionally, physically and intellectually. We use a key person approach to make each child feel happy, safe and secure, allowing confidence to build and to develop independence whilst they learn. Our most recent OFSTED inspection took place in March 2016 and we are delighted to say we received 'Outstanding' in every area.

As an Early Years Apprentice, you will contribute to a high quality caring environment for children.

This includes:

- Creating a warm, friendly and stimulating atmosphere in which children can develop emotionally, socially and cognitively
- Assisting in ensuring the nursery and the resources are clean and tidy
- Under supervision you will provide all aspects of care for children including washing and changing
- Acting as key person to a small group of children and recording observations and planning for them
- Assisting with meeting the personal and emotional needs of individual children
- Safeguarding and promoting the welfare of children
- Being aware of the nurseries policies and procedures and ensure they are adhered to
- Completing all work to desired timescales as set by your tutor

We are proud of our Early Years provision and our friendly professional team offer a wealth of experience across the setting.

If you are passionate and enthusiastic about beginning your career in childcare with us, please contact Hannah Rook to arrange a visit and to receive an application pack.
