

Dear Parent/Guardian

We hope your child will enjoy school meals, cooked on site by our wonderful HC3S catering team!

Within our Parent Pack information, you will find menu details of the meals being served. We just want to draw your attention to a couple of points in relation to HC3S:

Introduction to HC3S and School Meals:

HC3S invites you to a Facebook Q&A event on 16th June, 1:30-3:30pm, where they will answer any questions you might have about the tasty nutritious food your child will be eating when starting school for the first time. Find out why our school lunches are 'Food to Flourish'. HC3S will also explain about UIFSM (Universal Infant Free School Meals) and FSM (Free School Meals).

A second session will also be held on Wednesday 13th July at 6.30pm. These events have been popular in the past so don't miss out.

Special Diets:

HC3S provide a variety of options to children with special dietary needs. **Should your child have a medical need requiring an adapted menu, you must register your child's information on HC3S's online portal by 20 June.**

Menus will be approved by an NHS dietician over the summer and appear in the portal for schools and parents to view ready for September if this is completed on time.

Please register any special diet requirements on:
