### **Hawkhill Charity Event**

Dear Parent/Guardian,

Some of our Year 6 children have voiced an interest in creating their own sponsored event in order to raise money for our class charity, Mind, which is dedicated to supporting those with mental health issues. We would love to offer children the opportunity to design their own fundraiser either as an individual or with friends.

We will discuss in school what they would like to do and then they will come home with a sponsor form to see if anyone would like to sponsor them. Ideas could include: sponsored walk/run, sponsored read, sponsored fitness challenge, sponsored silence (!) or sponsored bake off – it's up to them!

Children will of course need your permission for any fundraising outside of school. We will be talking to them about safety, especially if they plan to do something in the community.

Each year we learn about 'courageous advocacy' and this will really give children the chance to raise funds and awareness for a cause they feel passionate about.

If your child would prefer to take part in something organised by us instead, they can participate in a daily mile challenge for an optional voluntary contribution.

Any sponsor money raised will need to be brought to school in a labelled envelope on or before Friday 19<sup>th</sup> April. We'd also love to see photographs of children taking part in their challenges.

Many thanks
