

Hi everyone!

*My name is Elz, I am a singer and musician with over 18 years experience. I have been in soul, blues, funk and pop bands, including function bands for weddings, parties and festivals. I still perform to this day and love it!*

*I am inviting your child to join my choir on a journey of beautiful singing, fun and confidence building, igniting a love of music and expression, working in a group and building self esteem through teamship and Hordle school's wonderful super powers.*

*I will be following in the footsteps of the wonderful Mrs Tubb who has led the choir so brilliantly for many years, I wish her the best of luck in her retirement.*

*We will be singing an array of different songs from modern pop to more traditional numbers with some super fun warm ups and games!*

*I started my musical career nervously, in fact I had to close my eyes on every performance! I know all too well how hard it is to stand in front of others and sing or play. I am invested in making a warm and inviting atmosphere to bring out the best in all the children, giving them confidence with their unique personalities to flourish in celebrating the joy singing can bring.*

*I am a lover of all music with soul...the soul that makes you feel when you hear your favourite song. I want the Little Soul Singers, to not just love singing but to really feel it, to help them be happy or to help them deal with a tricky day, bringing the power of music and community to make them smile.*

*If you would like to ask any questions at all then please feel free to contact me.*

*Can't wait to meet all the Little Soul Singers soon!*

*Mrs Elz Dunwoody* 

*Hordle Primary School Choir*
