

Think Pharmacy First!

Did you know that you can take your child to your local pharmacy and get treatment for five medical conditions?

These are:

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (aged 12 and over)

If your child is poorly with any of the above conditions, by going straight to your local pharmacy you can have a consultation with a trained pharmacist and receive advice and even medication (if appropriate) and your child can get back to school sooner.
