## The award-winning Swish is now open at **Walhampton School**

**Our classes in the Performing Arts run for  
Pre-School, School and College age children -  
from little stars to seasoned pros!**

We believe that every child has the opportunity to reach their potential using the performing arts to develop life long skills and talents.

For over 30 years, we've been delivering carefully structured classes, captivating shows and locally tailored opportunities. Using only dedicated professionals, we are passionate about guiding children and young people along an exciting journey where they can fulfil their dreams.

We want every child at Swish not only to discover their brilliance but also to shine as brightly as a star in their own right.
